**On the Cover**

*Jesus Being Interviewed Privately by Pontius Pilate*, was done by William Brassey Hole. Hole was an English artist, illustrator, etcher, and engraver. Around 1900, he travelled to Palestine in order to study. There he began working on the 80 watercolor illustrations in his book *The Life of Jesus of Nazareth*. In this particular scene the viewer might ask himself which of the two figures truly bears himself like a king?
