#### Msgr. Chester Michael - Thought of the Day

Msgr. Chester Michael, lives at Our Lady of Peace retirement community in Charlottesville. This first year he has not been able to actively guide the Spiritual Direction Institute, he sends along a thought for the day via emails from graduates.

Right now we should concentrate on "love of the Eucharist." This, is what ties us together with the suffering of Our Lord. His suffering includes the bad and good. The "bad" is embodied in suffering, and the "good" is the fruit of that suffering. The Eucharist binds together the events of Good Friday and Easter, Christ's death and resurrection.
