**Foster Care. - Foster Hope.**

CCC is dedicated to the children and youth entrusted to our agency's foster care program and we recognize the special role that foster parents play in these children's lives. CCC is blessed to work with a group of passionate individuals who have embraced their calling as foster parents. One foster parent recently shared the following:

"Years ago, I kept seeing the UNICEF pictures of children in need, I wanted to take them all home. I had two children of my own and my husband was not interested in fostering. In my early fifties, I became a single woman and determined that it was the right time to pursue fostering, as I was the sole decision maker. I learned about CCC through one of my coworkers who was fostering through them.

It's been a wonderful ten years of fostering, I wish I had done it a lot sooner. It's such a rewarding thing to do, the children are so good, they're wonderful. To give safety and security is a nice thing to do for another human being especially a child. If you accept youth in a trusting and loving way, they respond. If you have fear, doubt or any apprehension, they'll pick up on it. Just give love. Treat them like your own children."
