**On the Cover**

*Jesus Being Interviewed Privately by Pontius Pilate*, was done by William Brassey Hole. Hole was an English artist, illustrator, etcher, and engraver. Around 1900, he travelled to Palestine in order to study. There he began working on the 80 watercolor illustrations in his book *The Life of Jesus of Nazareth*. In this particular scene the viewer might ask himself which of the two figures truly bears himself like a king?

**Reporters Needed**

The OLP Sunday Bulletin can be an effective communications tool for the parish. However, that can only happen if parishioners submit information on current events in the parish community. Whether your group is holding a parade, panel discussion, or a prayer vigil, make sure the OLP community knows about it!

While Father Jim may give the parish information before mass on Sunday, information that is printed in the bulletin will be accessible on Monday when a date or time can't be recalled. Submit all announcements to [mcniagro@gmail.com](mailto:mcniagro@gmail.com) by the Wednesday before you would like it to appear.
