Dear Mr. West,

I appreciate receiving your letter and update on the activities of the Parish's Committee for Education and Action on Sexual Abuse.

I am confident that you will continue this good work on behalf of the parishes and young people of our diocese. I also look forward to hearing more about the participation in the consultation phase of the Synod on Synodality. Hopefully, these efforts will bear good fruit for the future.

Please convey my gratitude to the Committee members. Assuring you of my prayers and every best wish, I remain

Sincerely in Christ,

Most Reverend Barry C. Knestout
Bishop of Richmond
